That Nick Mellow has a knack for catchy and modern pop melodies he proved at least since releasing his successful singles *Fatal*, *Wait & See* or *More Of You*. On September 18th the singer/songwriter will be releasing his new single *Through The Rain*.

«*Through The Rain* is about a close friend, who went through a pretty rough time. The message of the song is simple but I guess more important than ever: Be careful towards yourself and your fellow human beings, take care of each other and make sure those closest to you realize, that they are not alone with their worries», Nick Mellow says about his latest release. The song has been written with his friend and musician Luca Aprile. «Not only do we get along very well on a human level we are also on the same page, when it comes to music», Nick about the collaboration. Producer of the song is Tom Oehler (Seven, Lovebugs or Luca Hänni), who was also working on Nicks successful songs *Fatal* and *More Of You*.

Nick Mellow released his debut album *Wait & See* in 2018. The album made it straight into the Top 20 of the official Swiss album charts, followed by two Top 50 airplay hits with *Fatal* (2019) and *More Of You* (2020). The remix of the track *Complicated* by Swiss producer duo «Aérolique & Glaceo» reached over 1.3 million streams on Spotify. Nick Mellow persistently acquires a constantly growing live audience. Besides several headline club tours through whole Switzerland he played numerous support shows for names like Wincent Weiss, Justin Nozuka or Swiss band Hecht and played stages of prestigious festivals like Moon&Stars, Open-Air St. Gallen or Gurtenfestival.
